

August 25, 2017

Dear RNA Medical Customer,

RNA Medical is pleased to announce the shelf life extension of CVC 9005, Hematocrit Calibration Verification Control by 12 months. Please be advised the expiration date of **CVC 9005 lot# 6900510** has been extended to **2018-08**.

We will not repackage this lot. This letter will serve as notification of this update. Please keep this announcement with your records as long as you have this lot in stock.

Please do not hesitate to contact me by phone (978-862-1849 or 800-533-6162 ext. 219) or email at techsupport@RNAMedical.com if you have any questions regarding this announcement.

Sincerely,

A handwritten signature in black ink that reads "Tara Simpson". The signature is written in a cursive, flowing style.
